

#### FROM THE VISIONING LEADERSHIP TEAM

We are excited to share that implementation of TBE's [Vivid Vision](#) for its future is moving forward.

As we have reported previously, we have been exploring a wide array of options concerning our physical home. It is becoming clear that the best option for TBE will be to sell its current building and to “lease back” the space we need for our congregation today. We are excited that all the most promising proposals not only envision TBE remaining in our building—in a smaller, more appropriate footprint—but see that as a key part

of any agreement.

We are working with those who have expressed interest in the building, all of whom are organizations that run educational programs, to refine the details of their offer and will, of course, continue to share updates with the congregation. We are confident that we will be able to bring the membership a proposal which allows us to stay at 5 Old Mill in an appropriate space and to fund a significant endowment that will ensure the future financial sustainability of TBE.

Stay tuned!
